The undersigned hereby apply to the Mitchell Public Water District for water service to be furnished at the following address: _____

Billing Address: _____

Are you presently receiving service from the Mitchell Public Water District or have received service in the past? _____

If yes, give the address of the premises and the time period such service was received.

_____ As a condition of water service, the undersigned agree as follows:

- A) To timely pay all fees and charges of the district for water usage and services, as adopted by the district from time to time, until the undersigned files a request for disconnection with the district's business office.
- B) To refrain from reselling or redistributing the water purchased from the district.
- C) To comply with all the rules and regulations adopted from time to time by the district.
- D) To promptly report to the district any problem noted in the district's water distribution system.
- E) To promptly repair and be responsible for any problem in the delivery line from the district's distribution system to the undersigned's facilities.

The owner of the property shall be jointly and severally liable with any occupant, lessee, or other person who might co-sign the application for water service, for full payment for the water service, along with any late fees or other charges.

In the event of disconnection of water service for failure to pay, the owner, occupant, and lessee of the property shall be jointly and severally liable for payment of all late fees, unpaid water service bills, and other fees required under Ordinances of the Mitchell Public Water District, before renewing service.

The agreements set forth above shall remain the continuing obligations of the undersigned, jointly and severally. The breach of any one shall be reasonable cause to justify termination of service by the district.

It is agreed by the undersigned that the district shall not be responsible for interruption in supply or delay in services.
